General Instructions:

The first page of the Debtor’s schedules and the first page of any amendments thereto must contain a caption as in Form B106. Subsequent pages should be identified with the Debtor’s name and case number. If the schedules are filed with the petition, the case number should be left blank.

Schedules D and E/F have been designed for the listing of each claim only once. Even when a claim is secured only in part, it still should be listed only once. A claim which is secured in whole or in part should be listed on Schedule D only, and a claim which is entitled to priority in whole or part should be listed on Schedule E only. Do not list the same claim twice. If a creditor has more than one claim, such as claims arising from separate transactions, each claim should be scheduled separately.

Review the specific instructions for each schedule before completing the schedule.
